

TRAITEUR WILLE

FEINE KOCHKUNST

Bistro Kitchen 53°Nord

BistroKitchen 53°Nord is located in the popular Winterhude area, which is close to the Stadtpark.

The bistro is suitable for standing receptions of up to 80 people. A seated meal can be held for up to 35 guests.

Cookery events in our open show kitchen are also very popular. When the bistro transforms into a cookery school, enjoyment, fun, and a shared experience are the focus.

Whether it's Asian delicacies or Mediterranean delights: our professional chefs are on hand to share lots of tips and tricks. The highlight is, of course, being able to enjoy the dishes together afterwards.

We will discuss with you beforehand which foods will be prepared within the team. Our kitchen crew will buy all the ingredients and perfectly matched wines.
