Design Offices Hamburg

In a prime location, between the Rathaus and Old Town, you can find just the right place for your event in our Design Offices.

The Design Offices offer exceptional flexibility. Whether it's a product presentation, meeting or a get-together on the roof terrace with live cooking, you will find the ideal place for productive work or exclusive celebrations here, above Hamburg's rooftops.

Hire individual conference and presentation rooms or use the seventh floor as a holistic spatial concept for all-day events followed by evening get-togethers.

The stylishly designed event location on the seventh floor invites you to take part in receptions with optional seating, along with an open kitchen with bistro appeal to see out the day in celebratory style.

Experience these flexible and versatile function rooms for yourself.
